Small Group:

Small group is a new opportunity this year for high schoolers. You will be placed in one of three small groups. Between your group you will find a time when all of you can meet during the month, preferably but not limited to the weeks listed on the schedule. You are encouraged to find a time when all can attend. The small group will have adult leaders who will meet with them as well. It is up to the group to meet at a restaurant or someone's house for dinner, which you are encouraged to cook together and a time for study, which will be provided, and fellowship.
